

SCENE 18 BACK AT THE GANGS HIDEOUT/GAS STATION? - LATER

We see Buck, and Chuck and Jimmy in the gang's hideout or maybe the gas station. Buck is watching the security footage.

JIMMY

It's just like I said. They came in and asked a lot of questions. I sent 'em to the campsite....

CHUCK

You did good Jimmy... Real good.... You make me proud to be your brother...

BUCK

What are we gonna do Chuck... what if they found out about something.. what if they know?

CHUCK

Get a hold of yourself... We'll do to them what we did to those 2 fruitcakes 8 years ago... But before we do...

BUCK

You think they know where the Wendigo is?

CHUCK

Who else better to lead us to him....

JIMMY

Yeah if we can find him, we can hunt him, that freak killed mom and dad!

Buck looks suspicious for second as if he is confused at what Jimmy is talking about then seems to remember something.

CHUCK

Yeah... Yeah, Jimmy it did! This
time it's not about the money...
This time it's personal. For mom
and dad.

Buck starts laughing and Chuck joins in, Jimmy looks
confused but joins in...
